

Our Lady of Peace Catholic
Primary and Nursery School

Year 5

Term: Pentecost 2

Homework Booklet

Welcome to your homework booklet for this half term.

Login to your 'Times Tables Rock Stars' account to practise your times tables!

Your teacher will test you on your times tables each week.

BRAIN BUILDERS

For your homework, you will create a newspaper article about an upcoming event. You can choose to write about climate change, Olympics, General Elections, or an event that has taken place at our school. Think about the important details your readers will need to know. What is the event about? When and where will it happen? Why is it important? You can present your article as a traditional newspaper piece or use your IT skills to create a digital version. Be creative and make sure to include a catchy headline, an interesting introduction, and important facts about the event. Happy writing!

Due in Friday 19th July 2024

Maths this term

Number

- Understanding negative numbers
- Counting through zero in ones and multiples
- Comparing negative numbers
- Finding the difference between negative numbers

Converting units

- Converting units of length and units of time
- Converting between metric and imperial units etc.

Measures: Volume - Estimate volume

- Using 1cm^3 blocks to build cuboids (including cubes) and capacity [for example, using water] Use all four operations to solve problems involving measure.

Spellings

Look, say, cover, write, check

Week 1
