Our Lady of Peace Catholic Primary and Nursery School

Year 3 2024

Term: Summer 2

Homework Booklet

Welcome to your homework booklet for this half term.

Spelling Shed

In this booklet you will find six weeks' worth of spellings. You need to learn these spellings carefully by using the look, say, cover and write method. You can also login to your **'Spelling Shed'** account to practise your spellings. You then have some space at the bottom of the page to put each of your spelling words into a sentence.

TIMES TABLES ROCK STARS

Login to your **'Times Tables Rock Stars'** account to practise your times tables!

Your teacher will test you on your times tables each week.

In Geography this half term we will be looking at maps of our local area, the United Kingdom and Europe. For their homework we would like the children to choose a country in Europe to research and present a small project using the following headings:

- Name of country
- Location
- Flag
  Capital city
- Food
- Sport
- Any other interesting facts about the country

Maths for Summer 2

Geometry: properties of shapes & Geometry: position and direction; Measurement:

Recognise right angles and know they are 90°; understand angles are measured in degrees; recognise ° as the symbol for the measurement of degrees; name and list simple properties of 2D shapes; begin to understand and use the term perimeter to mean the length/distance around the edge (border) of a 2D shape; begin to calculate using a ruler; know a right angle is a quarter turn; know 360° is a full turn; begin to understand angles and identify size of angles in relation to 90°

Statistics

In this topic, children learn to read and interpret information presented in pictograms, building on their learning from Year 2. Children ask and answer questions about information presented in both horizontal and vertical pictograms. Encourage them to think carefully about why a particular symbol has been chosen and its relationship to the data being presented. It is important that children understand the value of each symbol and what it means when a half, quarter or three-quarter symbol is used. An understanding of the key is therefore a crucial element of understanding the data. Children revisit and extend their knowledge of constructing their own pictograms

Log-in to your 'My Maths' account and, each week, complete the activity listed in the table below.

Week Beginning 17-06-24	Week Beginning 24-06-24	Week Beginning 1-07-24	Week Beginning 8-7-24	Week Beginning 15-7-24
3 and 6 Times Tables	4 and 8 Times Tables	7 Times Tables	9 Times Tables	11 and 12 Times Tables
