

Our Lady of Peace Catholic Primary and Nursery School

PRIMARY P.E. AND SPORTS FUNDING 2023-2024 REVIEW

The funding for PE in respect of the academic year of September 2023 – August 2024 is £19,920. For the academic year of September 2022 – August 2023 we received £20,030 and carried over £6,740 into the next academic year

For academic year 2023 - 2024, this is a total of: £26,660

Key Indicator 1- The engagement of all pupils in regular physical activity			Funding allocation £8350	
School focus with clarity on intended impact on pupils	Actions to Achieve	Funding Allocated	Evidence and Impact	Sustainability and suggested next steps
To engage all pupils and promote a healthy lifestyle	To continue to promote Bikeability with Year 6 children (Summer Term) to gain confidence to cycle on roads, ready for Year 7.	£0	Pupils learn how to be safe and proficient when cycling on the road in preparation for travelling independently to Secondary school next year. Pupils also understand the importance of keeping healthy and the importance of exercise.	Continued encouragement to pupils to travel to school using different modes of travel rather than car. Investigate opportunities to organise similar events such as Walk to School week in May.
	Promote cycling, scootering and walking to school to encourage healthier ways to get to school and better ways for the environment. Organise a promotion event for one month of the school year (PE lead to arrange).	£0	Through different lessons including PE/ Science/ RSHE and RE, children are encouraged to look at how they can change small things to be healthier as well as how we can look after the environment. School celebrated National School Sports Week where children were asked to log their 60 minutes of daily activity including and	Continue to promote across the curriculum. PE lead to look into organising more promotional events throughout the year to encourage cycling, scootering and walking to school. (See above)

		promoting how they travel to school as part of this exercise.	
To supply and replenish lunchtime equipment across both sites including new equipment for House captain activities.	£800	Pupils able to play a variety of games which supports their wellbeing.	Wide range of activities available for children ranging from football/basketball to chess. Something to attract all children.
PE lead to organise lunch time events ran by House captains to encourage a more active and competitive lifestyle.	£500	New equipment and house captain vests were bought for captains to run lunch time tournaments. This included a wide range of different activities to attract as many children as possible. Tournaments were held fortnightly on UKS before being introduced to LKS. Trophy was presented to winning captains in Virtues assembly. Large participation from most children over the year increasing fun and enjoyment on playground.	Pupil voice to be held to decide on activities in the new academic year. We have taken on board suggestions throughout the year so this will be a chance to take a broader picture.
PE subject leaders to meet with a selection of children to discuss their PE lessons, ascertain their knowledge, confidence and enjoyment of the subject, looking at ways to improve PE in the school.	£0	New Pupil voice to be held	
Improvements are made to the Early Years outside area to ensure that pupils are active and that the equipment provided, supports the physical development of pupils in line with the Early Years Framework.	£3,000	LS – Money apparently not available but Sport funding is ring fenced??	

	The installation of 2 Activ Panels in Upper School enable children in the upper years to participate in active sport/games during break and lunchtimes.	£4,050 (Part Payment – second payment in new academic year)	Children have loved having the two Activall boards and it has been great in getting a wide range of children active through break and lunch times as well as being used in PE lesson time.	In new academic term, have PE HLTA teach new Year 4's the different games as well as refresher sessions for the Year 5 and 6's.

Key Indicator 2- The profile of PE and sport being raised across the school as a tool for whole school improvement. Funding allocation £3906

School focus with clarity on intended impact on pupils	Actions to Achieve	Funding Allocated	Evidence and Impact	Sustainability and suggested next steps
To promote enjoyment and success in sporting competition.	To put up sport/healthy lifestyle display boards in upper and lower key stage.	£386	<p>PE displays were well received by the children and promoted talk around exercise and activity.</p> <p>Boards highlighted successful sports people from Slough to show the children what they can aspire to be. Sports people from same clubs they are in now as well as secondary schools their siblings go to.</p> <p>Guest speaker came to school to talk about her pathway through junior football in Slough to gaining a football scholarship in USA, the hard work involved and the resilience and perseverance needed.</p> <p>Celebration of the children as Sporting heroes was promoted on the boards as well as in Assembly and Newsletters.</p>	<p>Boards for both key stages to help promote health, exercise and well-being throughout the year as well investigate the possibility of boards on outside of school buildings.</p> <p>More guest speakers, if possible, to show children how they can reach their dreams.</p> <p>Continued promotion of children's achievements outside of school maybe in a permanent slot in the newsletter as well as more promotion of exercise and activity and major sporting events to introduce</p>

				children to a variety of sports – it's not just football!
To promote enjoyment and success in sporting competition.	To nurture a competitive element through inter- house competition.	£200	<p>Sports day was held over 4 days with children participating in house groups wearing the colours of their houses.</p> <p>Lunchtime competitions held between houses on both key stages.</p>	<p>Competitiveness was encouraged whilst promoting fun and well-being of sport.</p> <p>Children showed a real desire to win the house cup. Presentations on Friday were a highlight for children. Continue to promote different activities and listen to pupil voice for ideas for future competitions.</p>
	To join Slough School Sport and Physical Activity Network to provide more sporting opportunities for more children in a wide range of activities including visitors coming to school and children visiting other sites to participate in opportunities not before available.	£2520	Through the SSSPAN, children went off site to take part in inter school festivals as well as a Basketball coach leading Year 3 Basketball, Dance coaches for Year 4 and Football coaches from Slough Town FC for Year 5.	Continue to attend as many festivals as possible for a variety of different year groups and children as well as inviting in specialised coaches and sportspeople to talk about their experiences to continue to promote activity.
	School sports T-shirts and fleeces for all teachers and HLTAs to be worn during all sport activities. Fleece jackets for staff to wear during cold weather	£800	Teachers have their PE uniform so are equipped and prepared for the lesson. This shows the children the expectations for them to also be dressed accordingly for the lessons.	<p>Ensure all staff, particularly new members of staff have the correct T-shirts.</p> <p>Order new T-shirts for those staff that do not have shirts.</p> <p>Ensure correct uniform is worn for all PE lessons including footwear.</p>

Key Indicator 3- Increased confidence, knowledge and skills of all staff in teaching PE and sport

Funding allocation £9083

School focus with clarity on intended impact on pupils	Actions to Achieve	Funding Allocated	Evidence and Impact	Sustainability and suggested next steps
To provide safe and suitable equipment across the PE curriculum	Annual safety check on equipment in both school and halls and repairs/replacements	£1,000	This ensures all health and safety guidelines are met. In the safety check it was noted that new gym mats and trolleys were needed which were purchased.	This will be reviewed annually.
	Replenish equipment across both key stages.	£5,471	All pupils have access to P.E. equipment which is functional and safe to use. Through pupil voice, it was found one of the major issues the children had was not enough of the correct equipment. An audit was held and new equipment has been acquired to replace old stock but also to ensure the right equipment is being used for each area. (eg: Official dodgeballs rather than soft balls)	This will be reviewed annually to ensure there is enough equipment for all children to participate safely.
	Scheme of work for all aspects of the curriculum.	£495	Teachers have a good understanding about the topics that are to be taught and how to teach them. Lessons are clearly structured through warm up, main session and warm down including adaptation ideas for different levels of ability.	Staff voice is annually conducted to ensure teachers are using all aspects of scheme, understand how to conduct lessons and ensure children are making progress as well as new members of staff being introduced to scheme. Lesson observations to be held to ensure PE lessons

				are being taught in line with scheme. PE lead to inform staff about changes and new ideas through staff meetings and email.
	Annual subscription to The National College Providing training and lesson plans	£2,117	National College provides CPD training, webinars and other learning opportunities for PE lead and other members of staff looking to improve their knowledge and understanding of the subject and so being able to provide better learning for pupils.	Subscription to be continued for the benefit of Teacher CPD.

Key Indicator 4- Broader experience of a range of sports and activities offered to all pupils			Funding allocation £1,800	
School focus with clarity on intended impact on pupils	Actions to Achieve	Funding Allocated	Evidence and Impact	Sustainability and suggested next steps
Participation in both curriculum and extra-curricular activities will have a positive and noticeable impact on many pupils' behaviour, self-esteem and confidence	Subscription to Slough School Sport and Physical Activity Network to allow greater access to sporting activities for all children both in school and off site.	(£2520 allocated above)	Festivals attended and CPD training in teaching baseball as well as specialist coaches in basketball, dance and football.	Continued involvement in festivals and any CPD attended.
	Year 4 children to go swimming. Renegotiate pool space to enable swimming focus and utilise swimming coaches at the pool to support with the teaching of swimming.	£0	Pupils in Year 4 were able to have an experience of swimming and work towards meeting National Curriculum expectations. Pupils have a good understanding that swimming is a fun way of keeping healthy and fit.	Swimming lessons will continue to be in place for Year 4.
	To assess how many current Year 6 cohort do not meet National Curriculum swimming requirements. Extra booster lessons to be provided.	£1,800	Unfortunately, school could not find an available swimming centre for booster sessions to be held in summer term.	School is actively looking now at different venues to book booster sessions for next year's cohort.

Key Indicator 5- Increased participation in competitive sport

Funding allocation £2,770

School focus with clarity on intended impact on pupils	Actions to Achieve	Funding Allocated	Evidence and Impact	Sustainability and suggested next steps
Pupils demonstrate increasing resilience in tackling a range of new learning activities as a result of their participation in sporting activities/competitions.	Both Key Stages to have mixed inter-house football/netball competition.	£200	Mixed house competition was held on both key stages fortnightly covering a range of activities including football, netball, cricket, running and more. Trophy was presented to winners during Friday's celebration assembly.	Children really got involved in the drop in competitions and there was great excitement about the winners on Fridays. Competitions to continue. Pupil voice will continue to be taken to ensure a wide range of activities that all children want to engage in.
	Organisation of Sports day.	£50	4 Sports days held across the phase groups to promote competitiveness and fun in sports.	Sports day is reviewed annually to see what improvements are needed if any to improve the experience of all children.
	Organisation of school teams to participate in inter school tournaments. Year 5/6 football teams for boys and girls. Transport to be paid for away matches. Kit to be purchased for girl's team. Equipment purchased for football teams.	£1,000 £560 £360	The year 5/6 girl's and boy's football teams participated in several away games and in particular the Catholic football festival at St.Bernard's Prep.	Continued involvement in inter school tournaments arranged through SSSPAN and other means.
	To participate in inter schools' activities across a range of sports - transport	£600	Since joining SSSPAN the school has attended several festivals.	Continued involvement in inter school tournaments arranged through SSSPAN and other means.

P.E. CURRICULUM STATEMENT
