

Our Lady of Peace Primary and
Nursery School.

Welcome to Reception!

Welcome to Reception!

Hello children, we will be your new Reception teachers! We are looking forward to seeing you all in September 😊

Miss Chapman
St Joseph Class

Miss Arampatzi
St Valentine Class

Here are some things that you need to know about Reception.

Things you will need to bring with you.

A coat if it's raining.

Winter Uniform

Shoes that you can fasten yourself.

Wellies to leave at school (with your name written in)

A sun hat if it is sunny!

What does St Joseph classroom look like?

What does my St Valentine classroom look like?

What does the rest of the school look like?

Our School Day

What happens at lunch time?

You can send your child with a packed lunch but we would recommend your child tries our delicious school meals that are prepared on site.

The children will eat lunch with their class in the dining room. They will then get to play in their class outdoor area until the start of the afternoon session.

What will I be learning?

In Reception we follow the **Early Years Foundation Stage Curriculum**.

The teachers have planned lots of interesting activities for you to do.

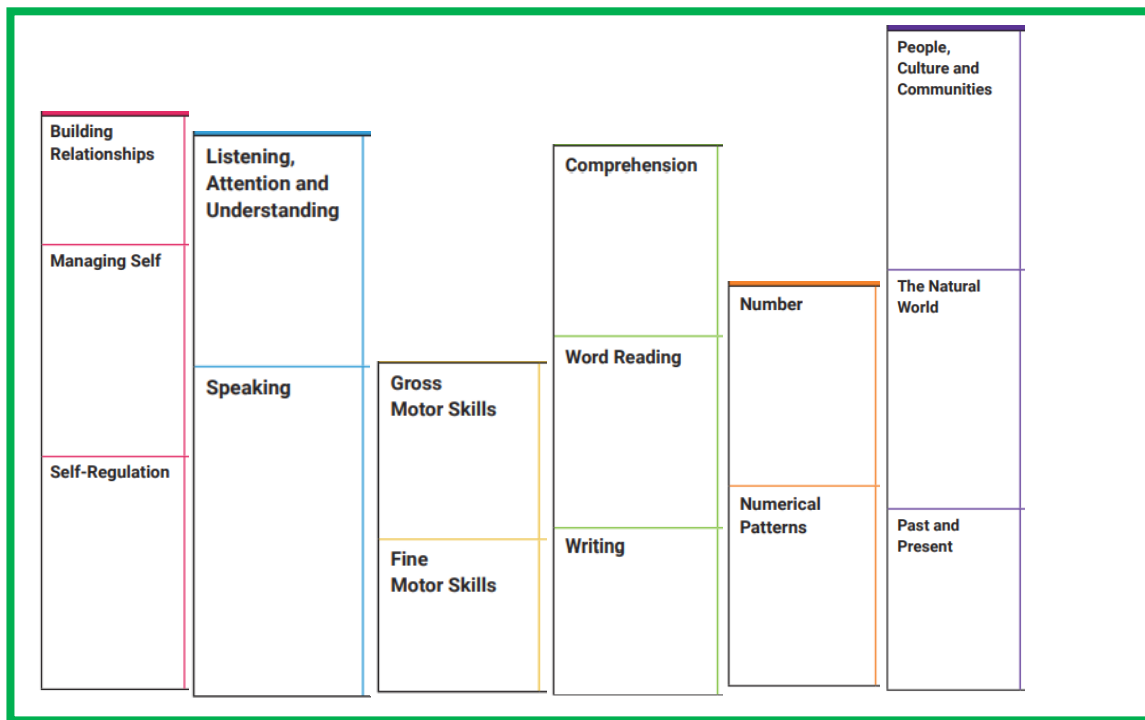

In Reception we get to learn and play at the same time.

When you start in Reception it is important that we get to know each other, learn everyone's names and learn the 'rules' of the classroom so that we can play and learn together.

You will be able to play inside and outside for much of the day and in Reception we like to go outside even if it is raining or cold. Make sure you have a coat that is suitable for the weather.

It is important that we learn to read, write and learn numbers so we will have lots of opportunities to practise these skills at school and we will give you some activities that you can do at home with your family.

Below are all of the areas that we will be covering in Reception.

Things you can do over the summer to help get ready for school.

Share books with your grown-ups every day. Talk about the pictures and why you like the book.

Practise putting on and taking off your coat. Practise doing your zips and buttons.

Practise cutting up your food. The lunch ladies will help you but we would like you to have a go first.

Practise writing your name.
REMEMBER! Only use a capital letter at the beginning of your name. 😊

Make sure you get outside and do a lot of exercise. School can be very tiring so you will need a lot of energy.

Talk to your grown-ups about all of the things in this booklet. Have a good look at the photographs so that you know what to expect when you get here.

We wish you a happy, safe and fun summer!

See you in September.
