Our Lady of Peace Catholic Primary and Nursery School

Year 4

Term: Advent 2

Homework Booklet

Welcome to your homework booklet for this half term.

Spellings

In this booklet you will find six weeks' worth of spellings. You need to learn these spellings carefully by using the look, say, cover and write method. You then have some space at the bottom of the page to put each of your spelling words into a sentence.
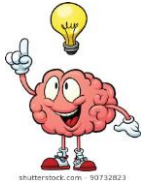

Your teacher will test you on your spellings each week.

TIMES TABLES ROCK STARS

Login to your 'Times Tables Rock Stars' account to practise your times tables!

Each week you will be set 'sessions' to complete. These will go live on Friday at 3.30pm and end on Wednesday at 8.30am. The sessions take 20 mins in total and can be spread across the five days.

Extra sessions may also be completed.

BRAIN BUILDERS

Set: 25.10.2024   Due in: 02.12.2024

Children:

As a part of our geography topic, we will be learning about rainforests and their importance.

You could:

Prepare a project on **"Why are rainforests important to us?".** In your work, you may include: the location and some key features of the Amazon rainforest, name and describe the four layers of tropical rainforests, describe how trees and plants adapt to living in the rainforest and give an examples, define the word indigenous and give an example of how indigenous peoples use the Amazon's resources, name ways in which the Amazon is changing, give examples of how humans are having a negative impact on the Amazon and an action that can be taken to help.

Maths for Advent Term 2

Measurement-Area

Children will learn that area is the amount of space taken up by a two-dimensional shape or surface.
They will explore different ways of working out the area of a shape, and it is important
that children recognise that some ways are better than others.

Multiplication and Division

Children will recall and use multiplication and division facts for multiplication tables up to 12 ×12.
Pupils will use place value, known and derived facts to multiply and divide mentally, including:
multiplying by 0 and 1; dividing by 1; multiplying together three numbers.

Pupils will solve problems involving multiplying and adding, including using the distributive law to
multiply two-digit numbers by one-digit, integer scaling problems and harder correspondence
problems such as n objects are connected to m objects.

Spellings

Spelling practice: Look, say, cover, write, check

Look	Say	Cover	Write	Check	Write	Check
expansion						
extension						
comprehension						
tension						
corrosion						
supervision						
fusion						
conclusion						
persuasion						

Sentence practice: Now use your spellings in a sentence.

1)_____

2)_____

3)_____

4)_____

5)_____

6)_____

7)_____

8)_____

9)_____
