

Welcome to Our Lady Peace Out of School Club.

This leaflet is designed to provide basic information about how club operates. We hope that it will cover most of the questions you have but if not, please ask.

Our aim is to provide high quality breakfast and after school care for pupils who attend Our Lady of Peace School where families wish to collect their child later than the end of the school day. The club aims to create an informal, 'family' environment where children of different ages interact, play and relax together.
