

Welcome to Year 3

3 St Paul
Class Teacher: Mr Piper

3 St Martin de Porres
Class Teacher: Mrs Koeberg

Main objectives for your children for this year

- ⇒ Gaining increasing independence for their own personal organisation and learning
- ⇒ Developing high expectations for their own work and behaviour and always doing their very best
- ⇒ Building on/reinforcing basic skills, including number bonds, times table facts, spelling patterns, handwriting, basic punctuation

The school day

In the mornings we run a soft start for the children who may enter the school building via the Lower Key Stage playground from 8.40am. If your child needs to be left earlier, we run a breakfast club. Please contact the school office for details. The children need to be in their classroom by 8.55am to ensure they are marked as present in the register.

In the afternoon, your children will be dismissed at 3:25pm. We will not dismiss your child until we see you, or someone you have authorised to collect your child. Please notify us if anyone other than you will be collecting your child. If you are running late, children should be collected from the school office.

Maths

Maths and English is taught every morning. Maths is taught in a whole-class environment, where pupils' differing needs are catered for through scaffolded activities and effective questioning from the class teacher. Lessons will focus on the pupils' fluency in Maths (rapid and accurate recall of number facts) as well as providing them with the opportunity to build a deeper understanding of mathematical concepts by developing their skills in reasoning and problem-solving.

Reading

We request that reading scheme books and reading diaries are brought into school every day. Please do encourage your children to read regularly and note this in their reading record. We do enjoy reading comments from parents about their children's reading. Reading diaries will be checked on a weekly basis to ensure that all children, regardless of reading ability, are reading regularly. We encourage all children to have a reading book of their choice with them in school for when we have quiet reading time. All children will also have the opportunity to choose books from the library.

Homework

Schools across the nation have been reviewing their homework policies, and evaluating the impact homework has on pupil progress. The national research proves that homework does not have an impact on academic progress at primary school level and that schools should be focussing their time on providing first class teaching and learning during the school day. The research also comments that pupils between the ages of 5 - 11 could be using home time to practise social skills and take part in extracurricular activities. However, school homework can provide opportunities for the children to practise key skills and consolidate their learning.

Therefore, homework booklets are given to every child to bring home each half term, these booklets give details of:

- Weekly spelling words, children are encouraged to practise the weekly word lists at home, finding ways to use these in their writing at school and home. These word lists will be used in weekly spellings tests.
- A Brain Builder project will also be set for children to complete during each half term. Children are encouraged to share these projects with classmates on completion.
- Reminders and links to online learning resources.

Pencil Cases

In your pencil case you will need: good quality writing pencils, a plain rubber, a sharpener, a blue berol handwriting pen and a white glue stick. You will also need a 30cm easy to read and use ruler, a pack of colouring pencils and a pack of basic felt tips (no sharpies etc.) Please respect that fashion stationery is best kept for home, as it causes a lot of distraction for the children in class. Please name as much as possible, so items can be returned. The school will not accept any responsibility for items which are lost or stolen.

Water Bottles

It is very important that the children drink regularly during the day. Please provide your child with a clear sport's style water bottle (no screw caps) containing only water. We have drinking water facilities in every classroom to allow your child to refill their bottles.

PE Kits

The children in Year 3 have PE/ Games twice a week. A PE kit can be worn to school on the allocated day. (See table below) The PE kit includes a sensible pair of trainers. If your child is in school, they will be expected to participate in games lessons unless a suitable reason is provided by parents. Correct PE **must** be worn: this is black shorts, white T-shirt, black tracksuit top and bottoms.

Key information:

Monday	P.E./ Games
Thursday	P.E./ Games

Uniform

Make sure everything is named, we prefer no earrings, but if they are worn, they should be silver or gold studs. Children are not allowed to wear earrings for PE, so they must be able to remove them without any adult help. Hair accessories should be simple and in school colours and children are expected to tie long hair back with a plain, school coloured hair tie.

During hot weather, please provide your child with a sun hat.

What your children will be learning:

	Key Topic Title/Question		
Advent Term (Autumn Term)	<u>History</u> Stone Age, Iron Age, Bronze Age <u>Geography</u> Why do people live near volcanoes?	<u>Science</u> Animals including humans Rocks and Soils	<u>RE</u> Homes - What makes a house a home? Baptism - Promises Visitors - Are visitors always welcome?
Lenten Term (Spring Term)	<u>History</u> Ancient Egypt <u>Geography</u> Who lives in Antarctica?	<u>Science</u> Forces and Magnets Light and Shadow	<u>RE</u> Journeys - Is life a journey? Listening and Sharing - What's so important about listening and sharing? Giving All - What makes some people give everything for other people?
