The Uniform Specialist

OUR UNIFORM

Our 'Magicfit' jumpers & cardigans are made overseas by our suppliers who are fully accredited SEDEX members. SEDEX membership is the highest accolade of ethical compliance in the world, they help to improve working conditions in global supply chains.

Our 'David Luke' polo shirts are made up of 60% Cotton / 40% Recycled Polyester - 100% of that polyester is made up of recycled plastic bottles. We can prevent hundreds of plastic bottles from going to landfill each year.

Our suppliers proudly make our ties in the UK which helps reduce your carbon footprint by 97% compared to ties manufactured in China.
