Newsletter—Friday 28th February

Volume 20

Dear Parents,

Welcome back for Spring 2. We have now reached the half way point for this academic year which is hard to believe. What I feel makes it better is that the sun is appearing more and the days are getting longer. All we need now is much warmer weather!

In assembly today we introduced the children to the Catholic Social Teaching principle for this half term, 'Community and Participation'. This focuses on how we can work better together as a community but also allow everyone to participate.

I feel that this is a suitable principle to focus on as we begin Lent next Wednesday. As we journey through Lent, Catholics are called to think about alms giving and how we can support those in need. This year, for our Lenten charity work, we will be asking children to bring in loose change to fill a large scale world map. This will allow children to see that their donations don't just benefit us in the UK, but can reach out to many in need across the world. As the children have been very excited at the prospect of Mr Stopps having a chocolate factory, I will continue a little with this theme and I will be holding an Easter Egg raffle. I am looking for donations of easter eggs. If you feel you would be able to contribute, please let me know. All money raised from these two Lenten fundraising activities will go directly to CAFOD. More information will come out soon.

As said previously, Lent starts next week with Ash Wednesday. We will be celebrating Mass on Wednesday afternoon (Time TBC) which of course parents are welcome to join.

Just a reminder that we do all need to adhere to the uniform policy. I have noticed some trainers being worn on non PE days and PE kits themselves are varying. Please do ensure that your child has the correct uniform. If you are unsure of the policy, this can be found on the school website.

Wishing you all a very happy weekend.
Mr Stopps

WAKE UP WEDNESDAY

Marvel Rivals is a highly popular multiplayer shooter that pits iconic superheroes against formidable villains. The game is free –to play on PC and current-generation consoles but does feature microtransactions that allow players to spend real money on cosmetic items for their characters.

While Marvel Rivals has been deemed suitable for children aged 12 and over, there are several risks associated with the title that parents and educators should be aware of. This free guide offers more information on these safety concerns and lets you know how to ensure that children playing the game can have a fun and age-appropriate experience.

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit [nationalcollege.com](https://www.thenationalcollege.com).

What Parents & Educators Need to Know about MARVEL RIVALS

Marvel Rivals launched in December 2024 and amassed a player count of nearly 150,000 in mere weeks. This player versus player (PvP) shooter packs in a host of recognisable comic-book characters, pitting two teams of six against each other. Despite the game's cartoonish nature, there are several potential risks for parents and educators to be aware of.

AGE RESTRICTION
PEGI 12
ESRB advises nobody under the age of 13 should play

WHAT ARE THE RISKS?

IN-GAME CHAT
Voice chat allows players to speak to teammates and opponents within the game, but in a competitive environment, some conversations can become unpleasant. Text chat is equally prominent among those playing on PC and will be shown on the side of the screen. Moderation on chats is relatively lax, so it's important to recognise that potentially inappropriate messages could arrive at any time.

IN-GAME PURCHASES
While Marvel Rivals is free, there is an in-game store, selling character skins from recognisable movies and comic-book titles. Each season also includes a E10 Battle Pass (much like those seen in Fortnite and Call of Duty), offering a series of exclusive cosmetic items. These passes don't expire – but they can't be purchased once the next season rolls around, creating a fear of missing out.

CONTACT WITH STRANGERS
With such a huge player base, it's impossible to predict whom your child will be teaming up with or playing against. They're virtually certain to run into strangers through voice and text chat, for starters. Most of these people will just be ordinary gamers enjoying the action, but there is the risk of some users behaving inappropriately with younger players – either intentionally, or because they don't realise that they're speaking to a child.

VIOLENT CONTENT
There's no gore in Marvel Rivals, and the violence depicted is comparatively cartoonish – but the playable characters available vary between more traditional superheroes and supervillains, and figures like Black Widow and The Punisher, who use more realistic firearms. Given the game's nature as a shooter, this may make some parents and carers uncomfortable as some players will be firing these weapons at each other.

INAPPROPRIATE CONTENT
The game includes some innuendos and mature themes in the dialogue, which could expose youngsters to content unsuitable for their age, detracting from a safe and family-friendly gaming experience. As we mentioned previously, the content of the in-game chat could also be age-inappropriate, ranging from swearing to mature themes to potentially harmful content.

FAMILIAR CHARACTERS
The inclusion of iconic characters might make Marvel Rivals appear more approachable than other games in the genre, with recognisable heroes and villains like Spider-Man and Venom. This could lead to more interest from younger players, increasing the likelihood of children playing the game without properly understanding the risks.

Advice for Parents & Educators

FOLLOW ESRB RATINGS
The ESRB rating for Marvel Rivals says the game shouldn't be played by anyone under 13. Most children of that age will be able to appreciate the moral compass of the roster of characters (people can play as Halo, the Goddess of Death, for example), while also ensuring that the violence, however cartoonish, won't overwhelm them.

FAMILIARISE YOURSELF
The game's inclusion of fan-favourite characters like Iron Man and the Hulk, plus its increasing popularity, means that younger Marvel fans will likely be eager to see what the fuss is about. Since it's free, consider playing Marvel Rivals yourself to gauge how you feel about a child playing it. Alternatively, you could let them play against the game's AI in Practice Mode, until they're old enough to compete online.

MONITOR OR TURN OFF CHAT
Voice and text chat can both be adjusted within the in-game settings. If you're particularly concerned about exposing children and young people to them, however, you can disable both forms of chat in the game's settings. If a child wants to play alongside friends, remind them that they can use their console's party chat feature or host a call on a third-party service like Discord.

DISCONNECT PAYMENT OPTIONS
Parents should ensure that no payment options – such as debit cards – are linked to the game, to prevent unauthorised purchases and charges. Children can be tempted by enticing in-game offers without fully understanding the costs. Removing payment methods avoids impulsive in-game spending and instils a sense of financial awareness, teaching young people to be careful with their money.

PARISH MISSION WEEK AT OUR LADY OF PEACE & ST ANDREW'S Monday 10th March – Sunday 16th March 2025

Each Day the Church will be open for prayer. **Each day from 6pm to 7pm there will be adoration of the Blessed Sacrament.** This is an opportunity to come and pray together, spending time praying for the Mission week and for all the people who live in the geographical area of the parish, that they may come to know God's love for them.

Mission Week Events: All welcome!

Jesus Our Hope: A Jubilee Evening Led by Mission Northampton: Monday 10th March 2025, 7 - 9pm at Our Lady of Peace Catholic Church.

Pope Francis invites us to look to the future with hope. Join Mission Northampton for a Jubilee inspired evening, which will include music, creative ways to pray, and a **talk by our guest speaker Fr. Simon Penhalagan.** We invite you to come and deepen your relationship with Jesus during this evening. The evening will be gentle and welcoming, so feel free to invite a friend!

'I invite all Christians, everywhere, at this very moment, to a renewed personal encounter with Jesus Christ, or at least an openness to letting him encounter them; I ask all of you to do this unflinchingly each day. No one should think that this invitation is not meant for him or her, since "no one is excluded from the joy brought by the Lord." The Lord does not disappoint those who take this risk; whenever we take a step towards Jesus, we come to realize that he is already there, waiting for us with open arms.' (The Joy of the Gospel, 3)

Tuesday 11th March: Training for outreach into the wider community, 7 - 9pm at Our Lady of Peace Catholic Church.

Our Parishes are called to be places of welcome and service within the local community. Come for an evening to explore how we can reach out with God's love beyond the walls of the Church. The evening will include some very practical training by Mission Northampton to equip you to do this.

Sunday 16th March: Light Fever at St. Andrew's, 1pm to 4pm:

An experience of going out and inviting people back to the Church to light a candle and pray. This is an effective and simple way to share the love of God with others during this Mission Week. There are lots of jobs that need doing, including making tea and coffee, music & intercession, as well as people going out to invite others in, so there is something for everyone!

Monday 17th March: Mission Day in Our Lady of Peace Primary School led by Sion Community:

A day in which the children in the school can come to know more deeply that they are loved by God.
